Accommodation

Located in a popular residential area, this three bedroom semi-detached house reveals a spacious interior, offering three bedrooms and further loft space, which offers endless potential. The property is situated on a good size plot, with gardens to front and rear, driveway parking and a brick built store.

Whilst the property does now need some updating in areas, double glazing and gas central heating are already in place and once brought up to date, this will make a fantastic family home. There is also undoubtedly great extension potential, not least the part converted loft space, which could be fully converted and a staircase added to create more living space, subject to necessary consents and as a number of neighbouring properties have already done.

The property occupies a handy location with ease of access to the city centre and all of Ripon's shops, restaurants and amenities. The house is also located close to the Ripon Leisure centre, which now houses the new swimming baths. The location is ideal for walkers, with lovely walks close by, whilst also only being seconds away from the bypass.

On the ground floor there is an entrance porch, leading to an inner hallway with storage cupboard and stairs rising to the first floor. The living room flows open plan into the dining/family room, both rooms having fitted storage. The kitchen comes fitted with a range of units, whilst stable door access is available to the side of the house. To the first floor there is a landing, with wooden ladder access to the loft space. There are three bedrooms and the house bathroom, part tiled and fitted with a white suite, including a bath with shower over. The L-shaped loft space is ripe for conversion, already fitted with a window and skylight.

Externally there is a lawned garden to the front of the house, with a pathway leading to the front door and driveway parking. A pathway leads to the enclosed rear garden, which is fully paved for ease of maintenance, whilst there is also a brick built outbuilding providing storage.

Properties in this sought after area are rare to market and an early viewing is advised to appreciate the space and potential on offer.
